

Estate Sales & Household Transitions

Our Customers Speak . . .

From Patrick in Kernersville, NC: "I want to say thank you for all your hard work and your help with this transition. As you know, my parents' house was filled with all sorts of stuff as a result of years of holding onto everything. Ed, you told me you love having lots of stuff, and you were good to your word.

You and your team have been down to earth, friendly and informative throughout this whole process. I had contacted another company who did not follow up as promised. It turns out it was a blessing I ended up with Next Chapter.

The second thing that made me choose you is the fact you have a website. Like a lot of people I like to get a rough idea about what to expect before I make a call. Your website was very informative and it did its job. Of course meeting you and Judy sealed the deal because you both are so personable. I appreciate that! Thanks for making this transition so much easier for my dad."
