

*Estate Sales & Household Transitions*

## **Our Customers Speak . . .**

**From LaWan in Charlotte, NC.** Thank God for the folks at Next Chapter! When I was faced with liquidating my dad's household goods after he moved from Rocky Mount to Charlotte, I had no idea what I was going to do. Running a restaurant, catering business and assisting a daughter in college had about pushed me to the limit. Trips back and forth to Rocky Mount (nearly four hours away) were not in the cards!

Ed and his team took the keys and told me to relax. They handled everything else, from cleaning out the house to getting ready for the sale to going through the house to find any family mementos. They are even working after the sale to help us sell a few more things. What a relief!
